**120,000** children treated globally  
with **50 countries participating**

Medicines are arriving in  
**6 pilot countries**

- Ecuador
- Jordan
- Mongolia
- Nepal
- Uzbekistan
- Zambia

**30+**  
essential  
cancer  
medicines\*

**60+**  
formulations

### Oral Products

- Allopurinol
- Calcium folinate
- Cyclophosphamide
- Dasatinib
- Dexamethasone
- Etoposide
- Hydroxycarbamide
- Imatinib
- Mercaptopurine
- Methotrexate
- Prednisolone
- Procarbazine
- Tioguanine
- Tretinoin

### Injectable Products

- Asparaginase
- Bleomycin
- Calcium folinate
- Carboplatin
- Cisplatin
- Cyclophosphamide
- Cytarabine
- Dacarbazine
- Dactinomycin
- Daunorubicin
- Doxorubicin
- Etoposide
- Filgrastim
- Fluorouracil
- Hydrocortisone
- Ifosfamide
- Irinotecan
- Mesna
- Methotrexate
- Pegfilgrastim
- Rituximab
- Vinblastine
- Vincristine
